Re.: Swiss Patent Application No. 12'638/64
your File 582-440 Sz
Philip Morris Inc.

Dear Sirs:

In answer to your letter of October 31, 1967 please find herewith enclosed our proposal for a new set of claims.

The present Main Claim II and subsequent sub-claims will probably not be allowed by the Office because they do not comply with Sect. 1,1 of the Patent Act.

But it would be possible to set up a Main Claim for the manufacture of the product according to Main Claim I (filter) and subsequent sub-claims (see Examples and page 5).

Very truly yours

BOVARD & CIE.

Encl:
2 copies of proposed set of claims.
